

GEOSEIS INC. Announcement:

Calgary, Canada
06-Dec-2005

GEOSEIS Inc. is pleased to announce the appointment of Jake Doruiter as Manager, Data and Technology Integration Services, a newly created group offering consulting services, technology support and training to the Petroleum Industry. Special focus will be given to introducing new integrated workflows and leveraging emerging technologies such as OpenSpirit, Spotfire and PointCross.

Mr. Doruiter leads a bright and capable team of multidisciplinary professionals whose mission is to enable GEOSEIS E&P clients to manage, utilize and integrate geological, geophysical, petrophysical, engineering, production, land, GIS, and financial data more quickly and effectively. Typical interpretation and modeling suites used by our clients and supported by Jake's integration team include AccuMap, ArcView, geoScout, Interactive Petrophysics, Petrel, Osprey, SeisWare, Surfer, Tralaine, IESX, SeisWorks, SeisX, WinPICS, KINGDOM, GeoFrame, OpenWorks, and Eclipse. His group specializes in datum migrations between NAD27 and NAD83 for all required data types involving these systems.

Mr. Doruiter brings 10 years of Canadian and International industry experience to GEOSEIS gathered in previous roles at Paradigm Geophysical Ltd., Petrosys Canada Inc, Schlumberger Information Solutions and as an independent consultant. Jake can be contacted at (403) 539-0276 and at jdoruiter@geoseis.ca.
